## CPR and AED Training for Teachers Takes Place in Nain (Audio)

---

*Nov 3, 2016, 1:16 PM*

Three staff members with the ACT Foundation were in Nain to give teachers CPR and AED training on October 28th, 2016 at the Jens Haven Memorial School.

The ACT Foundation partnered with Vale and health partners AstraZeneca Canada, Pfizer Canada and Sanofi Canada to deliver the training.

Jennifer Edwards is the Operations Manager with the ACT Foundation.

Edwards says that they came to Nain to train teachers in CPR and AED.

The training was for the teachers so that they can teach students in case there was a student who needed CPR Assessment.
