Port McNeill and Port Hardy Students Learn to Save Lives

Port McNeill and Port Hardy Students Learn to Save Lives

WHERE: North Island Secondary School - 2071 McNeill Rd Port McNeill, BC V0N 2R0

WHEN: Thursday, June 23, 2016; media invited at 11:00 a.m.

- Local secondary school teachers will learn how to teach their students CPR and how to use an Automated External Defibrillator (AED).
- The ACT Foundation, in partnership with BC Emergency Health Services (BCEHS), is enabling these secondary school teachers to empower students to save lives.
- Thanks to a contribution from AstraZeneca Canada, Pfizer Canada and Sanofi Canada, the ACT High School CPR and AED Training Program is being implemented in School District No. 85 Vancouver Island North's North Island and Port Hardy secondary schools.
